

Press Release [23 April 2009]

BTCL PoP Partners

In a bid to increase Bangladesh bound voice traffic BTCL has made a significant strategic move by introducing two key Point of Presence [PoP] partners. Genusys Inc., a US based carrier and Zamir Telecom Ltd, a UK based carrier signed the PoP agreement with BTCL on 23rd April 2009. According to this agreement BTCL will benefit from Next Generation Network [NGN] facilities of Zamir Telecom Ltd and Genusys Inc.. The PoP partners will provide IP access to BTCL termination for retail & resellers involved in voice business across the globe. BTCL envisage that due to this policy the voice traffic to BTCL will increase by 40% within six months of implementation in May 2009.
